## CALM BUT VERY COLD

### 8 JUNE

BY NEIL ALLEN

**ANOTHER CLEAR CALM DAY GREETED US, EVEN IF IT WAS A RATHER CHILLY 8 DEGREES EARLY IN THE MORNING.**

Our regular judges, Bruce Clark and Mike Cox attended, but Des Cooper could not come. Leon Coetzee was our third judge. Thank you guys for your help.

In **Sportsman**, our reigning National Champion, was pipped by Dean. This shows how good flying slope aerobatics is for your skills, as Dean does a lot of this.

**Advanced** only had one entry, Arthur Eggar. He did a very competent job of his schedule.

**Masters** had the big crowd this time. Jason had nothing else ready to fly so he competed with a 55cc petrol engine Extra. It is outside the normal rules, and Jason was quite happy to not be counted in the results, as he is not currently a MAASA member anyway, but we included his results. He got the top score with some very smooth flights. I came second, Mark third, and John fourth. We finally managed to drag Johan back to fly again, and he struggled a bit with working out which way to roll sometimes! I think he has only flown the P schedule a dozen times in total, and not once this year, so his scores were excellent.

At the lunchtime braai we had a chat, and Arthur handed out two trophies from the Nationals to pilots who could not attend the prizegiving – Ian and Mark. Arthur also briefed us on the important discussions going on in MAASA to revise the fee structure. A subcommittee has been set up, with representatives from all areas to join in.

**“WE FINALLY MANAGED TO DRAG JOHAN BACK TO FLY AGAIN”**
