

Model Aerobatic Association
of South Africa

MAASA MISSION STATEMENT

The Mission of the **Model Aerobatics Association of South Africa** is to:

- Promote Radio Control Model Aerobatics as a sport at national and provincial levels for all classes of participation.
- Train more judges and increase their competency to attain international standards.
- Represent MAASA Special Interest Group (SIG) at SAMAA.
- Promote sportsmanship and camaraderie within the flying fraternity.
- Cultivate an interest in aviation at schools.
- Do Fund Raising and generate an interest in aeromodelling.
- Promote safe flying.

MAASA Provincial/Regional Representatives Mission Statement

- Promote Aerobatics flying in the region.
- Facilitate the organization of provincial and monthly contests.
- Forward regional contest dates (Monthly's and Provincial) to secretary.
- Coordinate actions between the MAASA committee and the pilots in their respective regions.
- Ensure that all pilots participating in aerobatics events, are members in good standing with MAASA and SAMAA.
- Maintain database for members in the region.
- Forward all contest results to the secretary of MAASA so that the National Contest Scores database can be updated and distributed.
- Provide inputs on new schedules and rule changes.
- Assist with the training of judges in the area.
- Assist with fund raising.
- Assist with transformation in the sport. Lectures at schools, fly-ins, air shows etc.
