**RELAXED NO  
PRESSURE**

3 SEPTEMBER

The last league competition of 2016 and the last event before the SA Masters was held at Wild Clover.

A good entry of 11 had entered but due to other issues Michael had to miss the event. That left Jacques the clear winner of the Sportsman class. Jacques got lost of his first flight but did improve on the remaining rounds to score a best average of 59, not bad despite no competition.

In the Advanced class Cobus once again was the clear winner, winning all three rounds with consistent flying.

Second was local man Jacques Botha, improving all the time and just ahead of Rory who decided to go back to 2-stoke for this event due to breaking

the landing gear on his other plane last week. A very close fourth was Mike, always improving and keeping ahead of Peter Aldridge.

A well supported and competitive class, next season with Michael and Jacques from Sportsman, it's going to be a real cracker of a class.

The normal four entries in the Masters class, this time without regular winner Neil saw some very close flying between Stuart and Rodney. Rodney winning two of the three rounds but only just as they each scored a '0' on there last round, so thanks to Stuarts first round score that made him the class winner ahead of Rodney, Ernie and Ozzie. Ernie finding the going

really tough right now. Ozzie the non stop thinker and talker, (our ears are bleeding) finding his new Oracle a real beauty!!

Thanks to Nic and his team for allowing us to take of this Sunday as an extra date. Thanks to all four Judges and Judge in Training Jacques Botha.

The weather forecast was stop-on, sunny and warm with no wind. Lets hope they get it right for the Masters in October.

After the comp, we held the second WPMMA AGM which was well accepted by all who attended, then for a couple of us, beer and lunch at Wild Clover restaurant. What a great day.
