ITS ALL ABOUT THE SIXTY

25 JUNE

“VERY COLD START TO THE MORNING GAVE WAY TO WARM, CLEAR BLUE SKIES AND SOME REALLY GOOD FLYING”

AND SO ROUND SIX ALREADY AND HALF WAY THROUGH THE SEASON.

As small entry of only 7 pilots braved the cold morning, 3°C greeted everyone at 8am but the sun was shining and it was going to be a calm and clear winters day.

Martin, Bernus and Jacques took their seats, armed with score sheets and ready for the first pilot.

Jack flying Neil's old Passport was first to go and with his good scores over all four rounds proved that practice is the key to good scores. His flying has really improved and next season I am sure we will see him in advanced class as long as his ball don't get in the way...(Golf balls!!)

André flying his Winners-Model, Galactic was very consistent and his flying has improved leaps and bounds,

and if he can control his nerves he will soon start to knock on the 60% door.

Talking about sixty, Michael was the only Advanced pilot and almost got the 60% score on all three rounds ending with a very respectable 58.99%, so close.

Maybe now Michael will stay with the Allure, his smooth flying style suited the plane and as soon as he uses all of the "box" his scores are going to be well into the 60's and Cobus had better watch out, its going to be a cracker of a class.

Once again the Masters class was the largest with five entries, normally 8-9 but 5 still not bad.

Stuart was on form once again with good consistent flying, he has really got used to the Astral and his scores show winning all 3 out of the 4 rounds.

He decided not to fly the 4th round, the wind had picked up and rather save for another day.

Ernie was slowly getting his DaJaVu sorted with some great flying and cracking the

WESTERN CAPE AEROBATICS - LEAGUE 6

60% barrier, ending with a we deserved second ahead of Neil. Normally the class winner was relegated to third, he just couldn't find his winning form, I guess thats the way it goes.

Neil ended close behind Ernie in the final scores and ahead of 5th Gerhard, he is always keen to enter the competitions but this time found it tough going scoring high 50's and very consistent.

A great event despite the small entry, four rounds and next time maybe we can try out the Top10 Super5 fly-off.

Thanks to the three judges and TMFC for the use of the club.

	round 1	round 2	round	round 4	FINAL
	%	%	%	%
